Spicy!

SPICY ~ If your life is tough,
almost too hot to handle,
you are definitely spicy!
Hot, well-seasoned
food or drink
makes you spicy, too.

JUICY ~ If you have
your life
together, moving on joyfully,
you are juicy!
Nice, cold juice cools down that
spicy meal, making you very juicy!

Juicy!

Everyone is Welcome on the GHANA Summer Adventure!

Experience for yourself the wonder and beauty of Ghana's arts, culture and people. Travel Leader/Director Maputo Mensah, master drummer/dancer and native of Ghana, will escort you throughout to ensure your enjoyment and safety. Assistant Travel Director Doe Mensah, professional master drummer, Simon Amissah Annoh, experienced language teacher, and guest lecturer Mustafa Tetty Addy of international musical acclaim complete the Travel Team.

Enjoy drumming and dancing classes every day you are not traveling with special instruction by Maputo Mensah once each week. Lessons in Ga are also taught daily.

- **Cape Coast:** Tour the slave castles of Ghana and learn how slavery began and ended. Experience the emotional walk to and from the Door of No Return.
- **Kakum National Park:** One of the biggest national parks in the country with a breath-taking canopy walk -- one of only three in the world. Stroll six stories or more above the floor of the rain forest and look down if you dare.
- **Tafi Atome Monkey Sanctuary:** The beautiful Volta Region of Ghana hosts the most famous monkey reserve in the country. The monkeys are very friendly and tourists may feed them by hand. So don't show up empty-handed; buy a few bananas ahead so you won't disappoint the monkeys.
- **Wli Water Fall:** The Volta Region also has the longest water fall with a pool at the bottom that is safe for swimming. Bring your swim suits!
- **Local Language-Ga:** You may take a Ga language class, spoken locally by the Gas in Accra, the Capital City of Ghana.
- **Carving & Making of Drums:** Visit the drum shop to see how drums are crafted. Speak with the craftsmen and purchase your own personal drum.
- **Batik, Tie and Dye:** Create original pieces to take home from your batik, tie and dye classes.
- **Drumming & Dancing:** Spicy, juicy, fun! No experience required: If you can talk, you can sing; if you can walk, you can dance! And if you can clap your hands, you can drum! Let yourself go and have the time of your life in these native-taught classes.
- **Makola Market and the National Cultural Center:** Bustle and jostle, bargain and buy. Then learn about Ghana's history and admire her multi-regional arts and crafts at the Cultural Center.
- **Visit Kumasi:** One the biggest cities in Ghana with the biggest market. Lots to see and do.
- **Visit Private Families and Village School:** Participate in the traditional welcome ritual; see the resourcefulness of families in their daily lives; meet children to whom education is everything; chat, smile and laugh with everyone.

We are offering a special, three-day workshop for you to learn about the correct use and healing properties of natural herbs. Plus, we will be working on the much-needed Akpe Cultural Center while we are there.

In order to travel safely, be sure you are up to date with all necessary vaccinations for yellow fever and other diseases and have preventive medication for malaria. For information, contact The Center for Disease Control Travelers' Health Automated Information Line at 877-FYI-TRIP toll free (*information on ordering the Yellow Book and International Certificates of Vaccination and recorded messages on travel-related health topics*) or www.cdc.gov/travel.

Be sure to talk to your health care provider as well.
